

# WE'VE GOT THE POWER.

CUSTOM BUILT, GAS POWERED — AND 15% MORE EFFICIENT THAN THE COMPETITION.

**DRIVEFORCE**

DriveForce is FCCC's exclusive line of non-diesel proprietary engines. Developed solely for FCCC chassis, these engines are supported and maintained through the nationwide Freightliner dealer network. Most importantly, with 24/7 factory support, you can count on maximum uptime.

- 6.0L Gasoline Engine
- 308HP, 367 ft-lb torque
- Up to 15% more efficient than the competition

# C H A S S I S

Our commercial MT chassis features heavy-duty components that are designed to surpass automotive-class vans for maximum uptime and unbeatable driver safety. FCCC chassis also provide the ultimate flexibility for body configurations and your choice of diesel or gasoline power.

## ENGINE

### DriveForce

- 6.0L Gasoline, 308HP, 367 ft-lb torque
- Up to 15% more fuel efficient than the competition

## GVW

- MT45: 14,990 - 19,500 lb GVW
- MT55: 20,500 - 23,000 lb GVW

## TRANSMISSION

- Allison 1000 - 2000, 5-6 speed commercial grade
- Save 5x the maintenance cost compared to competitor

## RIDE & HANDLING

- Custom-tuned SACHS® Shocks
- Flat- and taper-leaf front & rear suspensions provide a solid, smooth ride and minimize cargo shifts on uneven road surfaces

## BRAKES

### Walther EMC quad-piston hydraulic disc brakes

- Premium, commercial-grade brake
- More robust stopping power
- 5x longer brake life vs. competitor

## FRAME

- One-piece continuous straight frame rail
- High strength construction reduces risk of body structure damage
